

**MESYUARAT PERTAMA PENGGAL KETIGA
DEWAN UNDANGAN NEGERI PULAU PINANG
YANG KEEMPAT BELAS
17 APRIL 2020**

PERKARA : 5(A)1

**SOALAN LISAN OLEH AHLI KAWASAN BUKIT TAMBUN
YB. GOH CHOON AIK**

1. Huraikan status proses pemutihan ladang ternakan babi dan Enakmen Unggas Pulau Pinang.
 - (a) Apakah status loji kumbahan berasaskan biomas di Perkampungan Valdor?
 - (b) Apakah status pusat penyembelihan babi tertutup di Perkampungan Valdor?
 - (c) Sila senaraikan reban ayam yang layak untuk pemutihan.

**YB. DR. NORLELA BINTI ARIFFIN
MENJAWAB BAGI PIHAK Y.A.B. KETUA MENTERI**

1. Enakmen Penternakan Babi Negeri Pulau Pinang telah diluluskan pada 24 November 2016 dan telah berkuatkuasa pada 1 Januari 2020. Bagi mengurangkan bebanan kos kepada penternak babi di negeri ini, Kerajaan Negeri telah meluluskan pengecualian Permohonan Kebenaran Merancang kepada penternak babi sedia ada untuk menaik taraf fasiliti kepada konsep ladang tertutup sehingga 31 Mei 2020. Pengecualian Permohonan Kebenaran Merancang tersebut diberikan kelulusan bersyarat

dan penternak babi perlu mematuhi syarat-syarat yang ditetapkan.

Sehingga 31 Mac 2020, sebanyak 156 buah terlibat dalam proses pemutihan ladang ternakan babi. Daripada jumlah tersebut, 112 buah ladang telah membuat permohonan pengecualian Kebenaran Merancang. Dalam proses ini, penternak perlu kemukakan pelan bangunan sahaja. Status kemuka pelan bagi ladang babi di Seberang Perai adalah seperti berikut:

Bilangan Ladang : 156, Bilangan Kemuka Pelan Bangunan: 111 buah ladang telah diluluskan secara bersyarat. Sebanyak 44 buah ladang lagi belum mengemukakan permohonan.

Manakala draf Rang Undang-Undang Perladangan Unggas Negeri Pulau Pinang telah disemak oleh Pejabat Penasihat Undang-Undang Negeri Pulau Pinang pada 30 Ogos 2019. Draf ini akan dibentangkan dalam Mesyuarat Majlis Mesyuarat Kerajaan Negeri sebelum dibentangkan dalam Mesyuarat Kedua Penggal Ketiga Dewan Undangan Negeri Pulau Pinang Keempat Belas yang akan datang.

- (a) Ahli-ahli Yang Berhormat, Cadangan Pembinaan Projek Stesen Janakuasa 1 Megawatt Elektrik Berasaskan Biogas dan Biomas Sisa Ternakan di Kampung Valdor, Seberang Perai Selatan telah diluluskan oleh Mesyuarat MMKN Bil. 47/2017 pada 28 Disember 2017 dan telah disahkan pada 3 Januari 2018 untuk pengecualian permohonan kebenaran merancang. Berdasarkan perancangan asal, stesen janakuasa tersebut dijadualkan beroperasi pada April 2019. Walau bagaimanapun, pelaksanaan projek ini terpaksa ditangguhkan bagi memenuhi kehendak tambahan kepada Laporan Penilaian Kesan Kepada Alam Sekeliling (EIA) sedia ada yang disyaratkan oleh Jabatan Alam Sekitar (JAS) berhubung isu pelepasan air kumbahan dari loji serta tambahan komponen Laporan Impak Sosial (SIA) yang perlu disertakan dalam laporan keseluruhan EIA.

Pelaksana projek iaitu Syarikat Timeless Green Sdn. Bhd. telah membentangkan laporan keseluruhan EIA sebagaimana yang disyaratkan kepada JAS dan jabatan-jabatan teknikal berkaitan pada 31 Disember 2019. Susulan pembentangan tersebut, pelaksana projek telah diminta untuk membuat beberapa pindaan tambahan kepada

laporan EIA yang dibentangkan berdasarkan ulasan daripada setiap jabatan teknikal berkaitan. Pelaksana projek telah mengemukakan laporan EIA berserta pindaan sewajarnya kepada ibu pejabat JAS untuk semakan pada 7 Februari 2020. Pihak JAS memaklumkan bahawa pertimbangan bagi kelulusan EIA hanya akan dikemukakan setelah tamat tempoh Perintah Kawalan Pergerakan yang dilaksanakan susulan penularan wabak COVID-19.

- (b) Ahli-ahli Yang Berhormat, Pusat Penyembelihan Khinzir Soon Seng Meat Sdn. Bhd. di Valdor, Seberang Perai Selatan telah siap tetapi tidak selari dengan Pelan Kebenaran Merancang dan Pelan Bangunan yang telah diluluskan oleh Majlis Bandaraya Seberang Perai (MBSP). Sijil Siap dan Pematuhan (*Certificate of Completion and Compliance*) masih belum dikeluarkan MBSP.

Pengusaha telah memohon lesen kepada Jabatan Perkhidmatan Veterinar (JPV) Malaysia. Surat lantikan auditor telah diterima oleh JPV Pulau Pinang pada 17 Mac 2020. Pemeriksaan audit telah dilaksanakan pada minggu pertama April 2020 bagi tujuan perlesenan dan

penempatan pegawai pemeriksa daging. Sehingga kelulusan diberi, JPV Pulau Pinang akan memantau proses penyembelihan yang dilaksanakan di pusat penyembelihan ini serta memastikan Sijil Kesihatan Veterinar dapat dikeluarkan bagi menjamin keselamatan daging tersebut.

Merujuk kepada Cadangan Garis Panduan Program Pengecualian Permohonan Kebenaran Merancang bagi ladang unggas sedia ada kepada ladang tertutup di kawasan Seberang Perai. sebanyak 345 ladang unggas berlesen telah disenaraikan untuk pemutihan seperti di **Lampiran A** yang diedarkan kepada Ahli-ahli Yang Berhormat.
